

# Sex & Relationships Education

*Despite the governmental refusal to make PSHE statutory, the statistics surrounding poor PSHE and SRE are stark.*

RECENT RESEARCH BY THE SEX EDUCATION FORUM SUGGESTS THAT:

**50%**

of young people did not learn how to get help if they were abused

**53%**

*did not learn how to recognise grooming*

More than  
**4 in 10**

had not learned about healthy or abusive relationships

**1/3**

of young people said they learnt nothing about sexual consent at school

**46%**

HAD NOT LEARNT ABOUT HOW TO TELL WHEN A RELATIONSHIP IS HEALTHY

**44%**

WHEN A RELATIONSHIP IS ABUSIVE

**50%**

of young people had not discussed real-life scenarios about sexual consent

**ONLY**

**1/4**

of young people said they learnt about FGM

**ONLY**

**4 in 10**

*11-13 year olds have said they learnt about FGM*

HOW CAN WE HELP YOU IMPROVE SRE IN YOUR SCHOOL?

Attend our  
**Delivering Age-Appropriate Sex & Relationships Education conference**  
on the 18<sup>th</sup> October in London

- Take away a toolkit of teaching resources to deliver high-impact SRE which resonates with your students
- Leave with the confidence to address topics including consent, sexting, grooming and relationships

Our 2015 event received  
**99%**  
delegate satisfaction rate

**“A very inspiring and challenging day. I left with renewed energy and increased confidence about tackling difficult issues”**

**PSHE Coordinator, St Ivo School**
